AMENDMENT NO. 2

Amend House Bill No. 636 by deleting Section 14 in its entirety and substituting instead the following:

SECTION 14. Tennessee Code Annotated, Section 33-601, is amended by deleting it in its entirety and substituting instead the following:

33-601. (a) (1) Any person sixteen (16) years of age or over, or (2) the spouse, parent or legal guardian, on behalf of a person less than (16) years of age, may apply for admission to a public or private hospital or treatment resource for diagnosis, observation and treatment of a mental illness. Upon such application, if an examination by an admitting psychiatrist determines the need for hospitalization, the superintendent of a public hospital shall admit and the superintendent of a private hospital or treatment resource (as defined in § § 33-302 and 33-803) may admit the person. Except in medical emergency cases, admission shall be subject to the availability of suitable accommodations. No person less than sixteen (16) years of age may be admitted under this section for more than one six (6) month period in any calendar year.

(b) A patient may at any time request his release from the hospital by filing a written application with the superintendent or his equivalent. If the patient cannot file a written request, the spouse, parent or legal guardian, or a licensed physician or licensed psychologist with competency in clinical psychology may file the request with the consent of the patient.

Within forty-eight (48) hours after receipt of the request, unless a petition for judicial hospitalization of the patient has been filed, the superintendent shall release the patient. If, however, the forty-eight (48) hour period expires on a Saturday, Sunday or legal holiday, the superintendent shall release the patient not later than noon of the next succeeding day which is not a Saturday, Sunday or legal holiday.

The superintendent may release any patient hospitalized under this section whenever he determines that the patient has recovered or that his continued hospitalization is no longer advisable or beneficial.

On motion, the amendment was adopted.

Amend House Bill No. 636 by deleting Section 30 in its entirety and substituting instead the following:

SECTION 30. Tennessee Code Annotated, Section 33-808, is amended by deleting it in its entirety and substituting instead the following:

33-808. (a) (1) Any person sixteen (16) years of age or over, or (2) the spouse, parent or legal guardian, on behalf of a person less than sixteen (16) years of age, may apply for admission to a public or private hospital or treatment resource for diagnosis, observation and treatment of a mental illness. Upon such application, if an examination by an admitting psychiatrist determines the need for hospitalization, the superintendent of a public hospital shall admit and the superintendent of a private hospital or treatment resource (as defined in § § 33-302 and 33-803) may admit the person. Except in medical emergency cases, admission shall be subject to the availability of suitable accommodations. No person less than sixteen (16) years of age may be admitted under this section for more than one six (6) month period in any calendar year.

(b) A patient may at any time request his release from the hospital by filing a written application with the superintendent or his equivalent. If the patient cannot file a written request, the spouse, parent or legal guardian, or a licensed physician or licensed psychologist with competency in clinical psychology may file the request with the consent of the patient.

Within forty-eight (48) hours after receipt of the request, unless a petition for judicial hospitalization of the patient has been filed, the superintendent shall release the patient. If, however, the forty-eight (48) hour period expires on a Saturday, Sunday or legal holiday, the superintendent shall release the patient not later than noon of the next succeeding day which is not a Saturday, Sunday or legal holiday.

The superintendent may release any patient hospitalized under this section whenever he determines that the patient has recovered or that his continued hospitalization is no longer advisable or beneficial.
